About Library

About Central Library S.D.D.K.M

Our college being a rural college, is located in a remote area. Consequently, learning resources are meagre and largely inaccessible to the students who mostly belong to poor and needy families. It is under such a circumstance that the central library of the college turns out to be an indispensable factor in the day-to-day curricular activities of the college. It would perhaps not be an overstatement to say that the library forms the backbone of college.

As already mentioned, an overwhelming majority of our students are financially weak and cannot afford to buy even the text books prescribed in the CBCS curriculam because of their high price, let alone the reference and background readings required to enrich their depth and understanding. Fortunately, however, they can access the college library and issue both text books and reference books. It is needless to mention that education in today's world is highly carrier oriented, andconsequently the library subscribes to three monthly magazines that cater to this pragmatic requirement of our students. They are *Achivers*, *Pesha-prabesh* & *Safollo*. A large hall adjacents to the library, serves as a reading room with adequate sitting arrangements. This room is often used by the students for both group study and personal reading.

The library is open from Mon-Sat day (except holidays) from 10:30 am. to 4:30pm. The total no of printed volumes available in the library collection is a little over 11,000, of which books on :
