PROSPECTUS : 2023-2024

WELCOME NOTE FROM PRINCIPAL'S DESK

As the Principal of this esteemed institution, it gives me immense pleasure to introduce our college to all prospective applicants. The onset of the 2023-24 academic session will see a sea change in education policy and its implementation across West Bengal with the introduction of the National Education Policy. As we witness such momentous changes in the education sector, carrying out the task of disseminating knowledge and enriching young minds brings with it fresh challenges. We have already witnessed unprecedented changes in the curriculum with the introduction of blended learning and online classes during the Covid-19 pandemic. Although young in terms of years Swami Dhananjay DasKathiababa Mahavidyalaya has risen to meet the challenges that the pandemic has created for the education sector, doing the needful to upgrade its digital infrastructure in order to facilitate student-teacher interaction and provide an extended platform for interaction beyond the class room.

We are one of the few college sin the Bankura district which has successfully implemented the **Enterprise Resource Planning Software (ERP)**, to facilitate distribution of study materials and conduct remote teaching as part of a well-planned curriculum, recreating classroom discipline within a virtual space. While we prioritize in-person interactive classes, the revolutionary implications of digital technology in reshaping the curriculum and teaching methodologies cannot be ignored. In future we hope to supplement offline classroom teaching with digital technology which can act as an extension of traditional pedagogical tools use din conventional teaching. The **Enterprise Resource Planning Software** developed for this purpose will remain functional to enable students to access lecture presentations and submit assignments beyond college hours. I would encourage all newly admitted students to familiarize themselves with the ERP software to make the most of online resources that the college has to offer.

Located in the heart of the village of Bhara, the college is the cynosure of all eyes. The village is the birthplace of a holy Hindu saint, Swami Dhananjay Das Kathiababa Maharaj, who is the founding Father of the college. The infrastructure that the college has is second to none. We have a dedicated faculty who teach our students with utmost care to be self-reliant and pragmatic such that when they enter life after their studies, they can face various challenges with courage and conviction. I am sure our students will always strive to uphold the dignity four college and keep its flag flying high.

There is a genuine sense of community amongst teachers, students, parents and staff members, which we are all very proud of. I wish the best of fortune, peace and prosperity to all those who participate in then able task of spreading education and improving minds. I would like to conclude by extending my heartiest congratulations to outstanding and meritorious students who have excelled in university exams. In this context I would specially like to bring to your attention the commendable achievement of our ex-student Samapti Acharya from the department of History Honours, who topped the University exams in 2021 and wasfelicitatedastheGoldMedalist.Iwishourstudentstheverybestandwishthemallsuccessintheirendeavors.

Best wishes,

DR KAKALI GHOSH SENGUPTA

BRIEF HISTORY:

Swami Dhananjay Das Kathiababa Mahavidyalaya was established in 2009 with the objective of making higher studies accessible to the underprivileged sections of society. The college has played a seminal role in encouraging the youth of Bhara and its adjoining villages to enroll for higher studies. Located in the remote

village of Bhara, roughly about 20 kilometres from the tourist town of Bishnupur, in the district of Bankura, the college is an outcome of the earnest endeavor of the local administration and eminent members of the village community. Named after the 56th Acharya of the *Akhil Bharatiya Nimbarkar* religious sect, the institute has a pan-Indian association in terms of its affiliation with the Kathiababa trust and foundation. Disciples from both home and abroad have contributed to its infrastructural development and academic enrichment.

Classes were initially conducted in the adjacent High School and the first batch of students added to a total of 71 in 2009. In the following year in 2010, classes formally began at the college premises. Since then, the infrastructure of the college has evolved and there has been a simultaneous increase in student strength. The alumnus of the college has been absorbed into various branches of higher education and they have exhibited a strong commitment towards career development and personal growth.
